Emerging author CJay Miles publishes a collection of four thrilling dramas titled *The Decision Collection* at Smashwords.com.

SOON AVAILABLE FOR REVIEW

Calumet City, IL, November 14, 2023 - CJay Miles announces the publication of *The Decision Collection*, a collection of four drama stories ranging from romance to comedy. The collection will be released on Smashwords.com for \$4.99 in June 2024.

"Doctor in a Tube" is the opening story of the collection. Jasmine, a successful print model, has just landed her first lead role in an Amazon TV series, but fate would have it that the day before she is to fly out to start filming, she finds out that she is pregnant with her ex's child. The romantic drama short story races across Jasmine's mind as she gets closer to deciding whether to tell her ex about the pregnancy or keep it a secret.

"The Vows" is a short story about a wedding. Jayson, the confused protagonist, spends most of the story before his soon-to-be bride, contemplating whether to go through with his vows. Surrounded by his family, friends, and media outlets, waiting to celebrate with the bride and groom on their big day, Jayson does his best to keep quiet and go through with the ceremony, but will his heart pull him in a different direction?

In "The Third Knock," Isaiah and Erica Kendall are about to experience a life-changing event that is being delivered to their hotel room. The couple goes through several emotions and must help each other deal with them before their package is delivered to their room upon the third knock.

"The Patience Heist" is loosely based on the Isabella Stewart Gardner Museum's Heist in Boston in 1990, where thirteen art pieces were stolen. In this flash fiction story, two men, Alex and Peter, break into a museum dressed as Boston uniform cops and escape with thirteen priceless paintings to sell on the underground market.

Smashwords.com is a global ebook retailer. Authors can use the site to publish their work, including fiction, nonfiction, novels, poetry, and collections like this one. Once the piece is published, Smashwords distributes it to other major ebook retailers such as iBooks and Amazon. Readers can use Smashwords to discover and view thousands of books in any way they want.

CJay Miles is a screenwriter of television, comedy, and courtroom dramas that feature people of color on the big and small screen. While attending Full Sail University, she earned a Bachelor of Fine Arts in creative writing. CJay has a background in Dance Education and has produced, choreographed, written, and directed musicals and marching band routines for various entities in and around the Greater Chicagoland area. These entities include universities, high schools, performing artists/singers, elementary schools, and churches. CJay owns and operates a mobile dance studio called Body LLC, where she teaches the basic principles of ballet, tap, and hip-hop to kids ages 5 to 18 when she is not writing or performing.
